Huge Bond Issue Asked for Roads

Preliminary steps to place a county-wide road construction bond issue of \$265 million on the Nov. 2 ballot were taken this week by the County Board of Supervisors on motion of Supervisor Kenneth Hahn.

As proposed by Supervisor Hahn, the bond issue would finance the construction and widening of 882 miles of secondary highway and streets of major importance throughout the county including many that cut through Torrance. "Every city and every community would be affected by this road program," Supervisor Hahn said, pointing out that the roads to be improved have all been listed by Road Commissioner Sam R. Kennedy as being critically deficient.

Final Vote Due
Supervisor Hahn's motion to instruct the County Council to prepare a resolution to place the bond issue on the November ballot was unanimously carried. It is expected that the final vote on the resolution will occur in about two weeks.

Roads in the Torrance area which will be improved if the bond issue goes through are Avalon Blvd. from Manchester Ave. to Pacific Coast Hwy., 11.3 miles; Crenshaw Blvd. from Century Blvd. to Palos Verdes Dr. South, 17.1 miles; Del Amo Blvd. from Sepulveda Blvd. to the Orange County line, 18.7 miles; Normandie Ave. from Olympic Blvd. to Pacific Coast Hwy., 17.3 miles.

Also Prairie Ave. from Florence Ave. to Torrance Blvd., nine miles; Redondo Beach Blvd. from Hawthorne Blvd. to Avalon Blvd., 5.2 miles; Western Ave. from 26th St. to Anaheim St., 4.4 miles; and 223rd St. from Santa Fe Ave. to Main St., 3.4 miles.

May Lower Amount
The Board proposed \$265,000,000 as a maximum amount but indicated that it might be scaled down after a joint report by the County Counsel and the Road Commissioner is submitted.

County Supervisor Burton W. Chace pointed out that the bond issue, if approved by the voters, will include road construction on special highways through cities as well as secondary roads in the unincorporated areas of the county.

Coin Thief Sentenced To Prison

Still protesting his innocence, Delbert Chapman, 41, of 1746 261st St., Long Beach, received a one to 15 year prison sentence Monday for his part in a \$10,075 robbery of a Long Beach coin vending machine firm last Feb. 28.

The longshoreman was sentenced after Long Beach Superior Judge Joseph M. Maloy denied Chapman's accusations that the jurist had "malice" toward him. Judge Maloy indicated he felt Chapman was covering up for two other accomplices.

Chapman was picked up in Las Vegas a few days after the theft, when large amounts of coin he was changing into currency aroused suspicion. In his car, police found \$1048 in dimes and quarters. The rest of the money has never been found.

Nine bags of dimes, 12 bags of nickels, and 13 bags of quarters were taken from the Steuber Service Co. in Long Beach.

Junior Cops' Applications Being Taken

The Torrance Police Department is now accepting applications for the new rookie class of "Taps," Torrance Auxiliary Police, Lt. A. S. Thompson, who will be in charge of the new group, said this week.

Boys and girls 12 years old but not over 16 who live within the jurisdiction of the City of Torrance are eligible to join the group, sponsored by the Police Department, Lt. Thompson said. The young Torrance residents are taught some of the principles of police work. They are treated to various recreations, such as a trip to the Sheriff's Rodeo.

Classes will be starting in about two weeks, the lieutenant said, and will be held the second and fourth Wednesday of each month from 7:30 to 9 p.m. Any boy or girl interested may obtain an application at the Police Station.

Maxine Herman will assist Lt. Thompson with the new class.

Child Found Dead in Crib

Mrs. Roland L. DeForest, of 2668 W. Carson St., found her seven-month-old daughter dead in her crib Monday after leaving the child for a few minutes to hang up the wash.

Pneumonia was given as cause of death by the investigating physician. A Fire Department resuscitator was called but the child was beyond help. The baby had been ill since birth.

Funeral services are to be held Saturday at 2 p.m. at Pacific Crest Cemetery under the direction of Stone and Myers Mortuary.

Interment will follow in the cemetery. The parents, Mr. and Mrs. Roland DeForest, have lived in Torrance about two weeks. They came here from Kenmore, N.Y.

could be obtained from the City Attorney. His motion died without a second. The same fate awaited a later move to table Blount's motion to approve the variance.

One final attempt by Isen to block the variance failed when his motion to table the approval action until the Council could determine if the City wanted to buy the expensive corner for off-street parking failed. None of the other four Councilmen wanted to second the tabling motion.

On a roll call vote, Councilmen Benstead, Blount, Schwab, and Drale voted to approve the variance. Isen voted "no."

Police Seek Persons Who Shot at Car

Someone took two shots at his car after throwing a brick at it, Rudy Duarte, 25, of 2528 W. 235th St., told Torrance police.

Duarte had just picked up Connie Soto, 20, of 2131 W. 203rd St., early Sunday morning, when the shooting occurred near 203rd St. and Arlington Ave. They were on their way to Los Alamitos to irrigate tomatoes.

The pair heard what they thought were firecrackers and then discovered the car had a flat tire. They found the flat was caused by a bullet. The trunk also had a bullet hole, they found.

Apparently the shots were fired from the sidewalk, Duarte said. Two suspects picked up by police were released Monday, but Detective Capt. Ernie Ashton indicated that police are still working on the case.

Watching eagerly for his new daughter's first tooth to appear, even though she is only six days old today, is Dr. Arthur Berke, Torrance dentist, whose office is located at 1528 Cravens Ave.

The new little miss weighed 6 lbs. 13 oz. when born Friday, Aug. 6, and has been named Connie Lynn. She joins three other children at the 10240 Fourth Ave., Inglewood home of Berke and his wife: Bonnie Sue, 8 1/2; Ronnie Alynn, 5 1/2; and Lonnie Lu, 1.

Messrs. and Mmes. Harry Berke and Louis Litch, all of Hollywood, are grandparents.

Hot Grease Cause of \$100 Fire in Kitchen

A hot pan of grease started a fire in the kitchen of Mrs. N. A. Perkins, 18807 Cranbrook Ave., Monday, which caused an estimated \$100 damage to cupboards and walls.

Mrs. Perkins left the kitchen for a moment and when she returned, the grease had started to blaze, she told firemen. She carried the pan to the sink, where the fire spread to the curtains and cupboards.

Firemen quickly extinguished the blaze.
